

## MACQUARIE 2011 SUMMER INTERNSHIP OPPORTUNITIES

### Risk Management Group (RMG)- NY & Houston

At Macquarie, we offer exceptional opportunities to accelerate your career. A diversified international provider of investment banking and specialist financial services around the world, Macquarie is a forward-thinking, fast growing organization.

Macquarie has been active in the United States for over a decade. Today, Macquarie has over 3,700 professionals in 32 office locations across the Americas. A growing region, the Americas forms part of Macquarie's broader international network of more than 15,500 people in approximately 70 office locations in 28 countries. On September 30, 2010, Macquarie had assets under management of \$US307 billion.

The Risk Management Group (RMG) encourages Macquarie's businesses to be innovative and entrepreneurial within defined risk parameters. RMG is an independent, centralized unit responsible for assessing, quantifying and mitigating risks across Macquarie. RMG's principal responsibility is to take an independent view on all the material risk acceptance decisions the Macquarie Group makes. RMG also approves Macquarie's principal transactions, new businesses and new products.

RMG comprises of eight divisions including: Credit, Market Risk, Prudential Capital and Markets, Compliance, Operational Risk, Internal Audit, Data Policy Unit, and Quantitative Applications Division. RMG plays a pivotal role in supporting the growth of all Macquarie's businesses in the Americas. Opportunities in Houston have a strong focus on financial and physical energy markets.

We have 10 week summer internship opportunities in the following divisions and locations:

- Credit – Houston and New York
- Market Risk – Houston and New York

Successful candidates will have the following attributes:

- High levels of motivation, drive, tenacity, initiative and integrity
- Strong numerical, analytical and communication skills
- An ability to think outside of the box and an entrepreneurial spirit
- Good commercial acumen
- A genuine interest in the financial services sector
- Knowledge of current market activity
- Strong academic results and outstanding personal achievements

We invite applications from candidates looking to take their first career step in a progressive dynamic organization. We can only accept applications from US residents or candidates holding an appropriate visa in order to work in the US.

If we have an on-campus presence at your university, please apply online through your school's career services website. All other students we invite you to apply on: [www.macquarie.com/graduatecareers/americas](http://www.macquarie.com/graduatecareers/americas)
