2A. Bank transfer

 Please check your account details carefully. It's your responsibility to ensure all payee account details are correct. We do not match the account name against the account number you provide. Incorrect details may result in a loss of funds and we do not guarantee their recovery. We do not accept liability for funds unable to be recovered. Please confirm the correct account details with the payee.

Please note: Macquarie's Cash Electronic Message Service does not provide rollover SuperStream Services. If you are withdrawing funds as part of a rollover of your SMSF to another superannuation fund (including a Macquarie superannuation fund), you should also make SuperStream arrangements to ensure the receiving superannuation fund can receive your funds and process your rollover.

Timing for processing a withdrawal

Delays may occur in processing a transaction due to the following scenarios:

- the transaction or instructions to make a transaction is made on or the day after a public or bank holiday
- authorisation of the transaction needs to be verified
- another BPAY Scheme participant isn't complying with its obligations
- there's a system malfunction
- inactive accounts – if this is the first transaction to your account after a long period of inactivity.

Please note, we try to address any delays with processing a transaction as soon as possible.

Use the Authenticator app for faster withdrawals

The Macquarie Authenticator app is a verification system that helps protect your account and personal information. You can make electronic funds transfers up to \$100,000 if you use the Macquarie Authenticator App and are registered for Electronic banking.

 **Online transfers over \$5,000 will require authorisation via the Macquarie Authenticator App. Go to [macquarie.com.au/help](https://www.macquarie.com.au/help) and search Authenticator to learn more.**
