---

- (a) The Directors may, subject to these Bye-Laws, issue shares or options over shares in, and other securities of, the Company rounded up to the nearest whole number and at such price as the Directors may determine from time to time. Fractional shares or other securities may not be issued.
- (b) Subject to the provisions of the Companies Act and these Bye-Laws, and without prejudice to any special rights conferred on the holders of any issued shares, options or other securities, any share, option or other security in the Company may be issued in such number of classes and/or series, for such consideration and with or have attached thereto such preferred, deferred, qualified or other special rights or such restrictions, whether in regard to dividend, voting, redemption, return of capital, termination of series, payment of calls or otherwise, as the Directors may determine.
- (c) Subject to the provisions of the Companies Act and these Bye-Laws, the unissued shares in the Company shall be at the disposal of the Directors, who may offer, allot, grant options over or otherwise dispose of them to such persons and on such terms as the Directors think fit, provided that prior to the date the Ordinary Shares are Unstapled, the Directors shall not issue any Ordinary Shares unless they are satisfied that:
  - (i) a number of Units which is equal to the number of Ordinary Shares will be issued at the same time to the same persons to whom the Ordinary Shares are to be issued;
  - (ii) each of those Ordinary Shares will be Stapled to a Unit or to a Unit in each Trust to form a Stapled Security immediately after the later of the date of issue of a MIT(I) Unit or a MIT(II) Unit and the date of issue of an Ordinary Share;
  - (iii) if, at any time any Other Interest is Stapled or is to be Stapled to Ordinary Shares (whether or not the Ordinary Shares are Stapled to Units), a number of those Other Interests which is equal to the number of Ordinary Shares will be issued at the same time to the same persons to whom the Ordinary Shares are to be issued; and

Trust) immediately after the later of the date of issue of that Other Interest and the date of issue of an Ordinary Share.

- (d) Unless and until the Ordinary Shares have been Unstapled, the holder of an Ordinary Share is not entitled to the benefit of the rights attaching to that share until the Ordinary Share has been Stapled to a Unit or Other Interest (as the case may be) to form a Stapled Security.
- (e) Unstapling must not occur unless it has been approved by the holders of Stapled Securities.
- (f) The Directors may impose such restrictions on the acquisition and holding of shares as they reasonably think fit at the time of issue of such shares but not thereafter in order to reduce the possibility of such acquisition or holding being, for material tax reasons, prejudicial to the balance of the Shareholders. The Directors may on an application for shares or on a transfer of shares or at any other time and from time to time require such evidence to be furnished to it in connection with any restriction imposed pursuant to this Bye-Law or Bye-Law 32(d) as they shall in their discretion deem sufficient.

Securities will cease to be Stapled to any Security which ceases to be on issue.
- (e) Prior to the date upon which the Ordinary Shares are Unstapled, and despite anything else contained in these Bye-Laws, the Shareholders, Directors and the Company shall neither do any act, matter or thing nor refrain from doing any act, matter or thing if to do so or refrain from doing so, as the case may be, would result directly or indirectly in any Ordinary Shares no longer being Stapled as a Stapled Security. In particular:
  - (i) the Company shall not offer any Ordinary Shares for subscription or sale unless an offer is made at the same time and to the same person for an identical number of Units (and/or if the Company has determined that the Ordinary Shares should be Stapled to an Other Interest, an identical number of Other Interests) for issue or sale;

  - (v) the Directors and the Company shall not consolidate, sub-divide, forfeit, cancel, redeem or repurchase any Ordinary Shares or otherwise re-organise the capital of the Company unless at the same time there is a corresponding consolidation, sub-division, cancellation, redemption or repurchase of Units (and/or Other Interests in any Entity to which the Ordinary Shares are Stapled) or re-organisation of the capital of MIT(I) and MIT(II) (and/or the Entity which has issued Other Interests to which the Ordinary Shares are Stapled).
- (f) Prior to the date upon which the Ordinary Shares are Unstapled if either a MIT(I) Unit, a MIT(II) or an Other Interest is Unstapled from an Ordinary Share, the provisions of these Bye-Laws in respect of Stapling will continue to apply to the Unit, Units and/or Other Interest and the Ordinary Share which remain Stapled.

The Directors may determine to issue certificates for shares or other securities of the Company, to cancel any certificates on issue and to replace lost, destroyed or defaced certificates on issue on the basis and in the form they think fit from time to time.

### 15 Computerised share transfer system

---

Without limiting Bye-Law 14, if the Company participates, or to enable the Company to participate, in any computerised or electronic share transfer system introduced by or acceptable to ASX, the Directors may, subject to the provisions of the Companies Act:

- (a) provide that shares may be held in certificated or uncertificated form and make any provision they think fit, including for the issue or cancellation of certificates, to enable Shareholders to hold shares in uncertificated form and to convert between certificated and uncertificated holdings;
- (b) provide that some or all Shareholders are not to be entitled to receive a share certificate in respect of some or all of the shares which the Shareholders hold in the Company;
- (c) accept any instrument of transfer, transfer document or other method of transfer in accordance with the requirements of the share transfer system; and
- (d) despite any other provision in these Bye-Laws but subject to the Companies Act, do all things they consider necessary, required or authorised by the Australian Listing Rules or the ASTC Settlement Rules in connection with the share transfer system.

## CALL ON SHARES

### 16 Directors' Power to Make Calls

---

- (a) The Directors may, subject to Bye-law 11(e), at any time make calls upon the Shareholders in respect of any moneys unpaid on their shares (whether on account of the par value of the shares or by way of premium) and not by the terms of issue thereof made payable at a date fixed by or in accordance with such terms of issue, and each Shareholder shall (subject to the Company serving upon the Shareholder at least 30 Business Days notice specifying the time or times and

# Bye-Laws of Macquarie Infrastructure Group International Limited

---

place of payment) pay to the Company at the time or times and place so specified by the notice the amount called on the Shareholder's shares.

- (b) The Directors may revoke or postpone a call prior to its payment.
- (c) A call may be required to be paid by instalments.
- (d) Subject to Bye-law 16(a) (as regards the giving of notice as to its payment), a call shall be deemed to have been made at the time when the resolution of the Directors authorising the call was passed.
- (e) The non-receipt of a notice of a call by, or the accidental omission to give notice of a call to, any Shareholder shall not invalidate the call.
- (f) Unless permitted to do so by the Companies Act and the Australian Listing Rules, the Directors may not extinguish in full or in part any liability of Shareholders in respect of any monies unpaid on their shares. If the Directors are entitled to extinguish any liability, then they may do so subject to compliance with the procedure and requirements of the Companies Act and the Australian Listing Rules in respect of such extinguishment.
- (g) A person upon whom a call is made shall remain liable for calls made upon him notwithstanding the subsequent transfer of the shares in respect of which the call was made.

## 17 Interest on Unpaid Amounts

---

If a sum called or otherwise payable to the Company in respect of a share is not paid before or on the day appointed for payment of the sum, the person from whom the sum is due shall pay interest on the sum from the day appointed for the payment of the sum to the time of actual payment at the rate of BBSW plus 3% or at such other rate as may be approved by the Directors and the Directors may waive payment of interest wholly or in part.

## 18 Fixed Sums taken to be called

---

Any sum which, by the terms of issue of a share, becomes payable on allotment or at any date fixed by or in accordance with such terms of issue, whether on account of the nominal amount of the share or by way of premium, shall for all the purposes of these Bye-Laws be deemed to be a call duly made, notified and payable on the date on which, by the terms of issue, the same becomes payable and, in case of non-payment, all the relevant provisions of these Bye-Laws as to payment of interest, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified.

## 19 Differentiation between Holders

---

The Directors may, on the issue of shares, differentiate between the allottees or holders as to the amount of calls to be paid (but not as to the *pro-rata* percentage of uncalled amounts, payable by each allottee or holder and the times of payment).

# Bye-Laws of Macquarie Infrastructure Group International Limited

---

## LIEN ON SHARES AND FORFEITURE

### 20 Notice requiring payment of sums payable

---

If any Shareholder fails to pay any sum payable in respect of any shares, either for money payable on issue, calls, or instalments, on or before the day for payment, the Directors may serve a notice on the Shareholder requiring that Shareholder to pay the sum together with interest accrued and all expenses incurred by the Company by reason of the non-payment. The notice may be served at any time whilst any part of the sum remains unpaid.

### 21 Time and place for payment

---

The notice referred to in Bye-Law 20 must state a day on or before which the sum, interest and expenses (if any) are to be paid and the place where payment is to be made and that, if payment is not made by the time and at the place specified, the shares in respect of which the sum is payable are liable to be forfeited.

### 22 Forfeiture on non-compliance with notice

---

If there is non-compliance with the requirements of any notice given under Bye-Law 20, any shares in respect of which notice has been given may be forfeited by a resolution of the Directors passed at any time after the day specified in the notice for payment. The forfeiture is to include all dividends, interest and other money payable by the Company in respect of the forfeited shares and not paid before the forfeiture. Prior to the date the Ordinary Shares are Unstapled, the Directors shall notify the MIT(I) Trustee and the MIT(II) Trustee and any Entity which has issued any Other Interests to which the Ordinary Shares are Stapled if the Company proposes to forfeit (and offer for sale or otherwise dispose of) any Ordinary Shares.

### 23 Surrender of Shares

---

The Directors may accept the surrender of any share liable to be forfeited under these Bye-Laws and, in such case, references in these Bye-Laws to forfeiture shall include surrender.

### 24 Notice of forfeiture

---

When any share is forfeited, notice of the resolution of the Directors must be given to the Shareholder in whose name the share was registered immediately prior to the forfeiture, and an entry of the forfeiture and the date of forfeiture must be made in the Register. Failure to give notice or make the entry as required by this Bye-Law does not invalidate the forfeiture. At any time before any forfeited share is sold or otherwise disposed of, the Directors may annul the forfeiture of the share on any condition they think fit.

# Bye-Laws of Macquarie Infrastructure Group International Limited

---

## 25 Disposal of forfeited shares

---

Any forfeited share is considered the property of the Company and the Directors may sell or otherwise dispose of or deal with the share in any manner they think fit and with or without any money paid on the share by any former holder being credited as Paid up.

## 26 Liability despite forfeiture

---

Any Shareholder whose shares have been forfeited is, despite the forfeiture, liable to pay and must immediately pay to the Company all sums of money, interest and expenses owing on or in respect of the forfeited shares at the time of forfeiture, together with expenses and interest from that time until payment at the rate of interest provided in Bye-law 17. The Directors may enforce the payment or waive the whole or part of any sum paid or payable under this Bye-Law as they think fit.

## 27 Company's lien or charge

---

- (a) The Company has a first and paramount lien or charge, for unpaid calls, instalments, interest due in relation to any calls or instalments and any amounts the Company is called on by law to pay in respect of the shares of a Shareholder, on shares registered in the name of the Shareholder in respect of which the calls, instalments and interest are due and unpaid (whether then payable or not) or in respect of which the amounts are paid and on the proceeds of sale of the shares.
- (b) The lien or charge extends to all dividends and bonuses declared in respect of the shares but, if the Company registers a transfer of any shares on which it has a lien or charge without giving the transferee notice of any claim it may have at that time, the shares are freed and discharged from the lien or charge of the Company in respect of that claim.
- (c) The Company may do all things necessary or appropriate under the ASTC Settlement Rules and the Australian Listing Rules in order to protect or enforce any lien or charge.
- (d) The Directors may, at any time, waive any lien that has arisen or declare any share to be wholly or in part exempt from the provisions of Bye-laws 20 to 29 or parts thereof.

## 28 Sale of shares to enforce lien

---

For the purpose of enforcing a lien or charge, the Directors may sell the shares which are subject to the lien or charge in any manner they think fit and with or without giving any notice to the Shareholder in whose name the shares are registered.

# Bye-Laws of Macquarie Infrastructure Group International Limited

---

## 29 Title to shares forfeited or sold to enforce lien

---

- (a) In a sale or a re-issue of forfeited shares or in the sale of shares to enforce a lien or charge, an entry in the Directors' minute book that the shares have been forfeited, sold or re-allotted in accordance with these Bye-Laws is sufficient evidence of that fact as against all persons entitled to the shares immediately before the forfeiture, sale or re-issue of the shares. The Company may receive the purchase money or consideration (if any) given for the shares on any sale or re-issue.
- (b) In a sale or re-issue, a certificate signed by a Director or the Secretary to the effect that the shares have been forfeited and the receipt of the Company for the price of the shares constitutes a good title to them.
- (c) In a sale, the Company may appoint a person to execute, or may otherwise effect, a transfer in favour of the person to whom the shares are sold.
- (d) On the issue of the receipt or the transfer being executed or otherwise effected the person to whom the shares have been re-allotted or sold is to be registered as the holder of the shares, discharged from all calls or other money due in respect of the shares prior to the re-issue or purchase and the person is not bound to see to the regularity of the proceedings or to the application of the purchase money or consideration and the person's title to the shares is not affected by any irregularity or invalidity in the proceedings relating to the forfeiture, sale or re-issue.
- (e) The net proceeds of any sale or re-issue are to be applied first in payment of all costs in relation to the enforcement of the lien or charge or the forfeiture and of the sale or re-issue, next in satisfaction of the amount in respect of which the lien or charge exists as is then payable to the Company (including interest) or the amount in respect of the forfeited shares then payable to the Company (including interest) and the residue (if any) paid to, or at the direction of, the person registered as the holder of the shares immediately prior to the sale or re-issue or to the person's personal representative on the production of any evidence as to title required by the Directors.

## TRANSFER OF SHARES

### 30 Transfers; proper ASTC transfers

---

- (a) A transfer of any shares may be effected by:
  - (i) a written transfer in the usual or common form or in any form the Directors may prescribe or in a particular case accept, properly stamped (if necessary) being delivered to the Company;
  - (ii) a proper ASTC transfer, which is to be in the form required or permitted by the ASTC Settlement Rules; or

# Bye-Laws of Macquarie Infrastructure Group International Limited

---

- (iii) any other electronic system established or recognised by the Australian Listing Rules in which the Company participates in accordance with the rules of that system.
- (b) Except in the case of a proper ASTC transfer, the transferor is considered to remain the holder of the shares transferred until the name of the transferee is entered on the Register. A proper ASTC transfer is considered recorded in the Register and the name of the transferee to be registered as the holder of the shares comprised in the proper ASTC transfer, as provided in the ASTC Settlement Rules.
- (c) The Directors may take any action they think fit to comply with the ASTC Settlement Rules and may request the ASTC to apply a holding lock to prevent a transfer of shares the subject of the ASTC Settlement Rules if the Directors think fit.

## 31 Directors may refuse to register

---

- (a) The Directors may refuse to register any transfer of shares:
  - (i) if the registration of the transfer would result in a contravention of or failure to observe the provisions of any applicable law, these Bye-laws or the Australian Listing Rules;
  - (ii) on which the Company has a lien or which are subject to forfeiture; or
  - (iii) if permitted to do so under the Australian Listing Rules.
- (b) The decision of the Directors relating to the registration of a transfer is absolute. Failure to give notice of refusal to register any transfer as may be required under the Companies Act or the Australian Listing Rules does not invalidate the decision of the Directors.
- (c) Subject to any directions of the Directors from time to time in force, the Secretary may exercise the powers and discretions of the Directors under this Bye-Law.

## 32 Transfer and certificate (if any)

---

- (a) Every transfer must be left for registration at the Registered Office or any other place the Directors determine. Unless the Directors otherwise determine either generally or in a particular case, the transfer is to be accompanied by the certificate (if any) for the shares to be transferred. In addition, the transfer is to be accompanied by any other evidence which the Directors may require to prove the title of the transferor, the transferor's right to transfer the shares, execution of the transfer or compliance with the provisions of any law relating to stamp duty. The requirements of this Bye-Law do not apply in respect of a proper ASTC transfer.
- (b) Subject to Bye-Law 32(a), on each application to register the transfer of any shares or to register any person as the holder in respect of any shares transmitted to that person by operation of law or otherwise, the certificate (if any) specifying the

# Bye-Laws of Macquarie Infrastructure Group International Limited

---

shares in respect of which registration is required must be delivered to the Company for cancellation and on registration the certificate is considered to have been cancelled.

- (c) Each transfer which is registered may be retained by the Company for any period determined by the Directors after which the Company may destroy it.
- (d) A Shareholder, who, by reason of any restriction imposed pursuant to these Bye-Laws, was not qualified to acquire or ceased to be qualified to hold all or any of the shares registered in the Shareholder's name shall transfer the same to a person approved by the Directors duly qualified to hold the same and shall be treated as having never been a Shareholder.

## 33 Transmission on death

---

The personal representative of a deceased Shareholder (who is not one of several joint holders) is the only person recognised by the Company as having any title to shares registered in the name of the deceased Shareholder. Subject to compliance by the transferee with these Bye-Laws, the Directors may register any transfer signed by a Shareholder prior to the Shareholder's death, despite the Company having notice of the Shareholder's death.

## 34 Transmission by operation of law

---

A person (a **Transmittee**) who establishes to the satisfaction of the Directors that the right to any shares has devolved on the Transmittee by will or by operation of law may be registered as a holder in respect of the shares or may (subject to the provisions in these Bye-Laws relating to transfers) transfer the shares. The Directors have the same right to refuse to register the Transmittee as if the Transmittee was the transferee named in a transfer presented for registration.

## REDEMPTION

### 35 Redemption of Shares

---

- (a) The Company may redeem at par the Common Shares issued on incorporation either at the time of, or immediately following, the issue of Ordinary Shares, subject to maintenance of the minimum share capital amount.
- (b) The Company, subject to (x) compliance with the terms on which the Ordinary Shares are Stapled; and (y) the provisions of these Bye-laws:
  - (i) may, require a Shareholder to redeem the whole or a specified percentage of his holding of Ordinary Shares; and
  - (ii) shall so require such redemption if, any Shareholder was not qualified to, or is, or has at any time, not been qualified, to hold all or any of the Ordinary Shares registered in the name of the Shareholder,

## Bye-Laws of Macquarie Infrastructure Group International Limited

---

then in such circumstances, the Company shall give any such Shareholder not less than 15 Business Days' written notice of its intention to redeem the Ordinary Shares of such Shareholder.

- (c) It shall be for the Directors acting reasonably to determine whether or not the provisions of this Bye-Law are to apply to a Shareholder and this power may be exercised regardless of the date of entry of the Shareholder on the Register and the number of Ordinary Shares held by the Shareholder. The Directors shall, if required by a Shareholder, give reasons for any decision, determination or declaration taken or made in accordance with this Bye-Law.
- (d) In addition the Directors may request such declarations and information from Shareholders, as the Directors consider appropriate.
- (e) The redemption price shall be calculated as follows:
  - (i) In the case of any Ordinary Shares redeemed under this Bye-law which are fully Paid up, they shall be redeemed at a redemption price, in the case of the Ordinary Shares, equal to a *pro rata* share of the assets of the Company (including for the purposes of determining the assets of the Company any amounts which should be included for the purpose of making a fair and reasonable determination of the value of such assets having due regard to generally accepted accounting standards and principles) less all liabilities (including for the purpose of determining the liabilities of the Company any amounts which should be included for the purposes of making a fair and reasonable determination of such liabilities having regard to generally accepted accounting standards and principles). The net assets may be further reduced by the aggregate of all costs, charges, expenses, disbursements, commissions, brokerage and other usual fees which would be incurred if all assets of the Company held at the applicable date of calculation of the redemption price (**Valuation Date**) were sold on such Valuation Date at the respective amounts at which each of the assets are brought to account in computing the value of the net assets and after making such further allowance as the Directors determine in respect of any tax that would be payable if all of such assets had been disposed on that Valuation Date.
  - (ii) In the case of any Ordinary Share redeemed under this Bye-law which is not fully Paid up, they shall be redeemed at a redemption price determined above calculated *pro rata* on the basis of the amount Paid up on such Ordinary Shares.
  - (iii) Where the Ordinary Shares are redeemed as part of a Stapled Security, the Directors must determine what proportion of the redemption price paid for the Stapled Security is to be paid from the assets of the Company.
- (f) In the case of a redemption under this Bye-Law, the proceeds of redemption less any fees and expenses incurred by the Company as a result of the redemption shall be deposited by the Company in a bank for payment to the holder of the Ordinary Shares subject to redemption against surrender of any outstanding certificate(s) representing such Ordinary Shares or the proffering of such evidence as the Directors may require.

# Bye-Laws of Macquarie Infrastructure Group International Limited

---

- (g) Upon the deposit of the redemption proceeds, the Shareholders shall have no further interest in such Ordinary Shares or any of them or any claim against the Company in respect thereof except the right to receive the redemption proceeds so deposited (without interest) upon surrender of the said certificate(s).
- (h) Where no share certificate has been issued for the Ordinary Share subject to the redemption under this Bye-law, the Company may make payment of the redemption proceeds to the relevant Shareholder in such manner as it thinks fit.
- (i) The holder of Ordinary Shares shall not be permitted to redeem the whole or any part of such Shareholder's Ordinary Shares either before or after the Ordinary Shares are Unstapled, other than with the prior written consent of the Directors and on such terms as the Directors shall determine and in accordance with the provisions of these Bye-laws.
- (j) For the avoidance of doubt, the provisions of this Bye-Law shall not apply to the A Special Share and B Special Share which may only be redeemed in accordance with the terms of issue of such shares.

## INCREASE, ALTERATION AND REDUCTION OF CAPITAL

### 36. Increase of Capital

---

- (a) The Company may from time to time increase its capital by such sum to be divided into shares of such par value as the Company by Resolution shall prescribe.
- (b) The Company may, by Resolution increasing the capital, direct that the new shares or any of them shall be offered in the first instance either at par or at a premium or (subject to the provisions of the Companies Act) at a discount to all the holders for the time being of shares of any class or classes in proportion to the number of such shares held by them respectively or make any other provision as to the issue of the new shares.
- (c) The new shares shall be subject to all the provisions of these Bye-Laws with reference to lien, the payment of calls, forfeiture, transfer, transmission and otherwise.

### 37. Alteration of Capital

---

- (a) The Company may, subject to Bye-Law 10, from time to time by Resolution:
  - (i) divide its shares into several classes and attach thereto respectively any preferential, deferred, qualified or special rights, privileges or conditions;
  - (ii) consolidate and divide all or any of its share capital into shares of larger par value than its existing shares;
  - (iii) sub-divide its shares or any of them into shares of smaller par value than is fixed by its Memorandum, so, however, that in the subdivision the proportion between the amount paid and the amount, if any, unpaid on

# Bye-Laws of Macquarie Infrastructure Group International Limited

---

each reduced share shall be the same as it was in the case of the share from which the reduced share is derived;

- (iv) make provision for the issue and allotment of shares which do not carry any voting rights;

An Alternate Director shall not be entitled to receive from the Company in respect of his appointment as alternate Director any remuneration except such part (if any) of the remuneration otherwise payable to his appointor as such appointor may by notice in writing to the Company from time to time direct. Every person acting as an Alternate Director shall have one vote for each Director for whom they act as alternate (in addition to the Alternative Director's own vote if also a Director). The signature of an Alternate Director to any resolution in writing of the Directors or a committee of the Directors shall, unless the terms of the Alternate Director's appointment provides to the contrary, be as effective as the signature of the Director or Directors to whom the Alternate Director is alternate.
