FORWARD thinking

# Managing your Macquarie Mortgage is now easier than ever.

Check your balance, make a payment, review your statement and more—whenever it's convenient for you.

Wherever you can access the Internet, you can access your Macquarie Mortgage account. A user name and password is all you need to:

- View information on your approved credit line, available credit, interest rate, balance and more
- Make a payment and choose how your payment is applied
- Get tax and interest information
- See interest paid to date and your transaction history
- Print out your statement

If you're a new user, you're just two steps away from the convenience of managing your account online.

## Step 1: Create a new online account.

- Go to [www.mymacquariemortgage.com](http://www.mymacquariemortgage.com)
- Click the "Manage your account" button on the right side of the screen
- Click "Okay to Proceed" to be directed to the secure account management site
- On the Account Access for Members screen, click "Please Register."

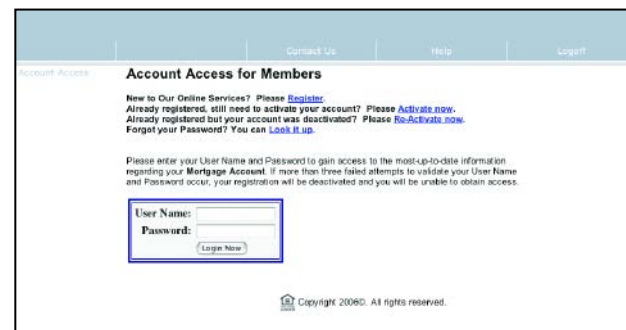

Complete the online registration form with your name, e-mail address, Social Security Number, and Macquarie Mortgage account number, then choose a user name and password.

Start at [www.mymacquariemortgage.com](http://www.mymacquariemortgage.com) and click *Manage your account.*

## Step 2: Activate your new online account.

Once you've completed and submitted the registration form, you will receive an activation code by e-mail within 24 hours. Then return to the Account Access page, click activate now and enter your activation code. That's all there is to it—now you have anytime access to your Macquarie Mortgage Account information.

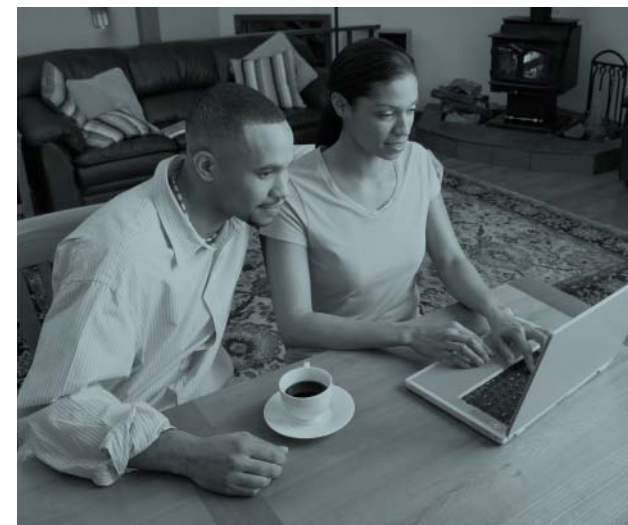

*Register, activate or re-activate your account.*

## Already registered? Activate your account.

Follow the same steps above for new users, but on the Account Access for Members screen, click "Activate now." Provide the user name and password you chose when you registered, and enter your activation code to start enjoying easy, 24/7 access to your Macquarie Mortgage account.

If you have already registered but your account was deactivated, click "Re-activate now" on the Account Access for Members screen. Enter your Social Security Number, user name, password and the re-activation code you received via e-mail.
