Banking and Financial Services

Banking and Financial Services (BFS) is our award-winning Australian retail bank and wealth manager. Our Banking and Financial Services team builds highly loved and iconic experiences for our customers, providing a range of personal banking, wealth management and business banking products and services.

Our teams

Business Banking supports individuals and Australian businesses through a full range of deposit, lending and payment solutions, as well as tailored services to business clients across a range of key industry segments.

Personal Banking gives people confidence in their financial life by offering a diverse range of retail banking products from home loans, transaction and savings accounts and credit cards.

Wealth Management offers clients a wide range of wrap platform and cash management services, investment and superannuation products, financial advice and private banking.

Banking product and BFS Treasury imagine, create and deliver products to meet the needs of our clients and support their overall financial wellbeing. This is supported by our BFS Treasury team who manage funding, liquidity, capital, EFS and climate risk for BFS.

Digital, Data, Design and Experience solves technical problems and works with innovative technologies to deliver personalised and intuitive experiences for our customers. Team members partner with and learn from product owners and engineers in an agile environment.

Central and Operations helps deliver the best outcomes for our clients and people through a wide range of services, such as Legal, Non-Financial Risk, Financial Crime Intelligence, Credit, Marketing, Operations, Custody, Regulatory Risk, Business Services, Financial Management and Corporate Affairs.

BFS Credit helps deliver a market leading application to settlement experience, assessing a broad range of complex credit applications.

Client Service and Support empower our customers to self-serve through intuitive digital experiences, supported by in-person interactions.

Corporate Development and Strategy helps businesses and teams with their plans to achieve objectives and better understand markets. The team also focuses on innovation, acquisitions and alliance opportunities for BFS.
